**June 21, 2019**

## **Update as of June 21<sup>st</sup>, 2019**

The Barry-Eaton District Health Department (BEDHD) has closed Tequila's Mexican Grill again as of 11:45 AM on Friday, June 21<sup>st</sup>. BEDHD received additional information from the investigation and from epidemiology that suggests the illness is **not** norovirus. Based on this information, BEDHD staff reviewed additional food handling procedures at the restaurant and determined it was in the best interest of public health to close the restaurant. BEDHD staff will continue working with Tequila's Mexican Grill to assure food handling standards are being met. Once all requirements are implemented, BEDHD will consider re-opening the restaurant.

BEDHD is continuing to investigate this outbreak by analyzing the data collected so far. Individuals who reported their illnesses greatly assisted this investigation. The source of the illness is still unknown and the investigation is ongoing.

If you have questions or concerns about the outbreak, please contact BEDHD's Environmental Health Division at (517) 541-2615 during business hours (Monday through Friday, 8:00 AM-12:00 PM; 1:00 PM-5:00 PM). If you are feeling sick you may also contact your health care provider.

BEDHD will provide updates on the investigation as information becomes available. To access this information visit the Barry-Eaton District Health Department's website at [www.barryeatonhealth.org](http://www.barryeatonhealth.org).

## **Update as of June 20<sup>th</sup>, 2019**

The Barry-Eaton District Health Department (BEDHD) is continuing to investigate reports of gastrointestinal (digestive) illness in individuals who ate at Tequila's Mexican Grill between Saturday, June 15<sup>th</sup> and Tuesday, June 18<sup>th</sup>. At this time, 39 individuals have contacted BEDHD to report feeling ill after eating at the restaurant. BEDHD is interviewing individuals that reported feeling well, and those who reported feeling ill after eating at Tequila's Mexican Grill. The source of the illness is still unknown and the investigation is ongoing.

Tequila's Mexican Grill is cooperating with the investigation. On the evening of Tuesday, June 18<sup>th</sup>, all ready-to-eat food that had been prepared between Sunday, June 16<sup>th</sup> and Tuesday, June 18<sup>th</sup> was discarded. On Wednesday, June 19<sup>th</sup> the restaurant completed environmental cleaning and BEDHD completed interviews with all staff. After these public health interventions BEDHD allowed Tequila's

## **Restaurant Closure at Tequila's Mexican Grill in Charlotte**

On the evening of June 18<sup>th</sup>, the Barry-Eaton District Health Department (BEDHD) temporarily closed Tequila's Mexican Grill, located in Charlotte, Michigan. The closing was ordered after gastrointestinal (digestive) illness was reported in 10 individuals who ate at the restaurant for lunch on Sunday, June 16<sup>th</sup>. BEDHD is conducting an investigation of the restaurant and the illnesses.

On the morning of June 18<sup>th</sup>, BEDHD received the first complaint and received a second later in the day after investigation had begun. The restaurant will not open before employees are interviewed by BEDHD staff as part of the investigation. Next steps for Tequila's Mexican Grill will be decided based on the results of these interviews. The restaurant is cooperative and is participating in BEDHD's investigation.

All known individuals who were ill report feeling better.

If you ate at Tequila's Mexican Grill (430 N Cochran Ave, Charlotte, MI 48813) on Sunday, June 16<sup>th</sup> through Tuesday, June 18<sup>th</sup> and are feeling ill (especially with nausea, abdominal cramping, vomiting, or diarrhea), please contact BEDHD's Environmental Health Division at (517) 541-2615. If you are feeling sick, please also contact your health care provider.
