Expedited Partner Therapy (EPT)

- ◆ EPT is now legal in Michigan
- ◆ EPT is the clinical practice of treating the sex partners of patients diagnosed with chlamydia or gonorrhea by providing prescriptions or medications to the patient to take to his/her partner without the health care provider first examining the partner
- ◆ For more information:
 - * [CDC EPT Information](#)
 - * [EPT in Michigan for Patients](#)
 - * [EPT in Michigan for Providers](#)
